

# **Environmental Policy of AS Factorum Install Solutions SRL**

**Web address: [www.asfactorum.com](http://www.asfactorum.com)**

## **Introduction**

AS Factorum Install Solutions SRL ,a leading Industrial installation services company in the Romania recognises the importance of sustainable development and is committed to minimising its environmental impact. Our policy reflects our dedication to integrating environmentally responsible practices in all our operations. This policy complies with Romanian and European Union environmental regulations and aligns with best practices in sustainable industrial installation services

The objective of this policy is to reduce pollution, conserve resources, and promote sustainability in all activities while providing high-quality services to our clients.

## **Environmental Goals**

We are committed to:

- Preventing pollution and managing waste effectively.
- Minimizing resource consumption, including energy, water, and raw materials.
- Promoting the use of sustainable and recyclable materials in renovation projects.
- Encouraging sustainable practices in every aspect of our work.

## **Core Principles**

To meet our environmental goals, AS Factorum Install Solutions SRL follows these principles:

### **1. Reduction of Resource Consumption**

- Implement measures to reduce the consumption of energy, water, and other resources in both operational and renovation activities.
- Optimize resource utilization by adopting energy-efficient systems and sustainable methods.

### **2. Sustainable Material Usage**

- Prioritize the use of eco-friendly, sustainable, and recyclable materials in projects.
- Promote innovative techniques that reduce environmental impact.

### **3. Pollution Management**

- Minimize emissions and waste generation during transportation, construction, and other operations.
- Improve the management of pollution by implementing effective waste disposal and recycling systems at all project sites.

#### **4. Waste Minimization**

- Enforce waste segregation and proper disposal of materials.
- Promote recycling and reuse wherever possible to reduce landfill contributions.

#### **5. Employee Training and Awareness**

- Educate and empower employees about their role in implementing the environmental policy.
- Provide training on sustainable practices and the efficient use of resources.

#### **6. Collaboration with Stakeholders**

- Work closely with suppliers, subcontractors, and clients to ensure alignment with sustainability goals.
- Advocate for the use of environmentally friendly products and services throughout the supply chain.

#### **7. Continuous Monitoring and Improvement**

- Establish annual environmental objectives and measure progress through regular audits and reviews.
- Strive for continuous improvement by adopting innovative technologies and staying updated on environmental regulations and best practices.

### **Implementation**

To ensure the effectiveness of this policy, (Company Name) is committed to:

- Integrating this policy into daily operations: Every team member and subcontractor is required to adhere to the guidelines outlined in this document.
- Making this policy widely accessible: The environmental policy is available to employees, clients and suppliers.
- Encouraging accountability: Employees at all levels are encouraged to contribute ideas and participate in initiatives aimed at enhancing environmental performance.

### **Review and Updates**

This policy will be reviewed annually by the management team of (Company Name) to ensure its relevance, effectiveness, and compliance with the latest legislation and industry standards. Any updates or changes will be communicated promptly to employees and stakeholders.

### **Our Commitment**

At (Company Name), we believe that environmental sustainability is not just a responsibility but an opportunity to lead by example in the renovation industry. By embedding sustainability into our

operations, we aim to contribute to a cleaner, healthier, and more sustainable future for our clients, employees, and the communities we serve.
